

## Benham Falls Mountain Bike Ride

To ride from Sunriver Sports to Benham Falls, ride to the far north end of Sunriver (see other side for map). Just east of Circle 7, there is a small parking lot on the red cinder road to the canoe pick-up. Beginners, trailers and tag-a-longs should use the track east of the cinder parking area (FS600 to FS660). The 3.1 mile intermediate track starts west of the cinder road and leads to the Benham picnic/parking area. You will arrive at a parking lot. Cross the walking bridge and proceed down the double track trail along the Deschutes River. You will see the falls (rapids) on your right. The River Trail is marked by a hikers kiosk near the Benham Falls overlook. Look for the start of the river trail between the parking lot and the overlook.
